EXPERIENCE

GRM Information Management Services / VisualVault

Mar 2025 - Jun 2026

Marketing Coordinator (Marketing Operations)

- Executed 50+ Engagement Studio workflows across Salesforce Account Engagement, including audience setup, email builds, testing, launch, response handling, and follow-up logic.
- Built a deferred-interest workflow connecting campaign replies, contact matching, dynamic-list enrollment, and automated Engagement Studio follow-up, creating a repeatable path from response to Sales.
- Used Account Engagement scoring and 6sense intent data to help prioritize engaged prospects; maintained clean handoffs through lead-source checks, routing validation, campaign-member cleanup, and CRM follow-up tracking.
- Built practical automations with Zapier, Google Apps Script, Python, OpenAI/API tools, and Google Sheets for email classification, campaign tracking, data cleanup, and sales-routing workflows.
- Used Python for keyword-based web research on prospective companies, matched resulting companies through ZoomInfo, and supported a related campaign workflow without relying on manual prospect-by-prospect research.
- Created and maintained campaign content across email, landing pages, web, blogs, social, one-pagers, and brochures while supporting WordPress/Elementor updates, SEO, and publishing QA.

Travel Hotline

May 2024 - Oct 2024

Digital Marketer Intern

- Created digital assets for social, email, and blog channels and produced social video content about five times per week using Adobe Premiere, Adobe Express, Canva, and CapCut.
- Analyzed market trends and supported campaign planning, messaging, and content development in a fast-moving remote environment.
